

Leading and developing a team of people is key to helping our customers achieve their hopes, dreams and ambitions. It's something we're proud to do for over 5 million customers every day at HSBC. We'll develop your leadership abilities and give you the skills you need to help to steer both your career and our future.

Get on board with Digital.

HSBC Hong Kong invites penultimate and final year students studying at a university in Hong Kong, to join an evening information session and learn more about starting a career in Digital within Retail Banking and Wealth Management. We will be hosting a panel discussion followed by a networking session with key business representatives and our graduate recruitment team. Join us if you are interested in starting a career with HSBC in a 2018 Digital Summer Internship and Global Graduate Programme.
